Exhibit B – Website Terms and Conditions

Interested in being part of a church that tries to drag the dying into court?

If so, Grace Episcopal Alexandria is the perfect church for you.

Here is a photo of my late mother, dying of COPD, taken at about the time rector Bob Malm and Grace Episcopal Church tried to drag her into court.

☐ I Agree

As your bishop I will only get involved if you can prove you were abused by your priest by getting the police to charge him. As if that will ever happen LOL!
